Cena

**130,00 zł**

### Opis produktu

#### OUR OFFER

Occupational Health and Safety e-learning training course, on-line test, certificate, registered mail, assistance and consulting services.

#### YOU RECEIVE

Our certificate compliant with § 16 item 3 of the Regulation of the Minister of Economy and Labor of 27 July 2004 on Occupational Safety and Health Training (Journal of Laws, No.180 item 1860 with further amendments) and applicable provisions of Polish law.

**It is also possible to get your certificate super fast online (PDF) !!!**

#### TRAINING DESIGNED FOR

Employers and management staff (managers, masters, foremen and directors).

#### TRAINING FREQUENCY

The first training course takes place within six months from the day of hiring employees and then every 5 years.

Every employer hiring employees shall have a valid certificate of Occupational Health and Safety training for employers.

#### TRAINING ORGANIZATION

Our Occupational Health and Safety E-learning Training is an on-line course using multimedia, images, charts etc. The course consists of seven modules. Each module ends with a quiz including one or two questions related to the topic of a given module. Our Occupational Health and Safety training course finishes with an on-line test: 15 simple questions (included in quizzes). There is no time limit to complete the test.

You can at any time pause your training by clicking the 'X' red box in the upper right hand corner. When you want to continue your training, you will be put to the last viewed slide.

Training provided with audio – it is possible to turn off the audio to read the text faster.

#### OCCUPATIONAL HEALTH AND SAFETY REGULAR ON-LINE TRAINING COURSE FOR EMPLOYERS AND MANAGEMENT STAFF:

I. Module I – Definition of Occupational Health and Safety

II. Module II – Labor law

III. Module III – Accidents at work

IV. Module IV – Workplace ergonomics

V. Module V – Harmful, noxious and dangerous factors at workplace
